MIGRATION TO AUSTRALIA

Apply now before it's too late!

From July 2011 the entry requirements for migration to Australia under the General Skilled Migration scheme will become more stringent. You will need to score a minimum of 7 in the IELTS Band.

Even the Business Skills scheme is under review.

Contact us now to apply before the policy changes in July.

Internationally recognised for our very high record of success, we have helped people emigrate to Australia for over 20 years.

We have extensive knowledge of all Australian immigration processes and can help applicants overcome even the most complex immigration problems.

- General Skilled Migration - Business Skills - Resident Return Visas - Investment Retirement - Employer Nominations - Parent Visas - Appeals to the Migration Review Tribunal - and more
